Term II 2082
(Bhadra-Mangsir)

Message from the Principal

It is an honor to serve as the principal of this esteemed institution and work alongside our wonderful students, families, educators, staff, and the entire KMC community. I am inspired daily by our students, who embrace new ideas, think critically, and grow together despite their diverse backgrounds. They exemplify unity, and I am proud to guide them as they prepare to lead the world tomorrow.

Our parents are a cornerstone of KMC's success. Your unwavering support and strong partnerships with our teachers have been instrumental in fostering student growth. I also extend my gratitude to our dedicated teachers, administrative team, and support staff, whose hard work drives our achievements.

This academic year, we have introduced new initiatives to enhance our curriculum, evaluation processes, instructional practices, and infrastructure. Together with your feedback and the support of our school management and directors, we are making great strides toward excellence.

We continue to focus on providing a well-rounded education, offering numerous opportunities for students to explore their talents through various inter and intra-school events and club activities. This newsletter showcases the vibrant school life and achievements during this period.
